Show

“I BUILT IT MYSELF” ENTRY FORM

The WoodenBoat Show is seeking a **new** fleet of owner-built wooden boats for a land-based display at this summer’s show at Mystic Seaport, June 25-27, 2010. If you’ve built a trailerable or cartoppable boat that you’d like to exhibit, we’d love to have you join us! There is no entry fee, but you must be willing to discuss your wooden boat project with interested attendees. Boats included in this display must NOT be for sale. We expect this event to be very popular, so we ask that you attend the show all three days. If you are interested, please fill out the registration form below, and mail or fax it back as soon as possible. We look forward to seeing you in Mystic!
